UNCLE WIGGILY AND THE CORN CANDY.

By HOWARD R. GARIS.

By HOWARD R. GARIS.

"SNT that some one knocking at the door?" asked Uncle Wiggily Longears, the rabbit gentleman, of Nurse Jane Puzzy Wurzy, his muskrat lady housekeeper, as they sat in the hollow stump bungalow one evening after supper.

"At-a-tat-tat!" came the sound.

"Yes, there is some one there," exclaimed Uncle Wiggily, getting up so quickly that he almost dropped his spectacles into Nurse Jane's lap. "I guess it's Grandfather Goosey Gander coming over to play bean bag with me," he went on.

But when the bunny uncle opened the door there on the steps stood Sammie and Susie Littlefats, the rabbits, Johnnie and Billie Bushytail, the squirrels, and Jackie and Peetie Row Wow, the puppy dog boys.

"Why, hello! How do?" Come in!" cried Uncle Wiggily in his most jolly voice, his pink nose twinkling like a buckwheat cake with maple sugar on it. "This is fine!"

"We came over to spend the evening with you," said Susie, the rabbit girl. "You see, there is no school tomorrow, so we don't have to do any home work."

## Dandruff Soon Ruins The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single dandruff trace on your head.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces will last you a long time. No matter how much dandruff you have, this simple remedy never fails—Adv.

## SYRUP OF FIGS FOR CROSS, SICK, FEVERISH CHILD

If little stomach is sour, liver torpid or bowels clogged.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see it tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—whether full of cold, or a sore throat, diarrhea, stomach-ache, bad breath, remember, a gentle "fruit" cleanser should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

## HOW TO GET RELIEF FROM CATARRH

If you have catarrh, catarrhal deafness, or head noises go to your druggist and get 1 oz. of Parment (double strength), take this home, add to it 1 pt. of hot water and 4 oz. of granulated sugar. Take 1 tablespoonful 4 times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucous stop dropping into the throat.

It is easy to make, tastes pleasant and cures little. Every one who has catarrh should give this treatment a trial. You will probably find it is just what you need.

E. H. SOTHERN'S farewell appearance on the screen is to take place shortly when he appears with Charlotte Ives in "The Man of Mystery." In this story Sothern as the hero is surrounded by villains and brutal persons, not the least of whom is the wicked mother of his innocent wife. Vesuvius.

Miss Rose Tapley, the popular Vitaphone star, began her transcontinental tour recently in Philadelphia. She is engaged until August 1 of the new year, and if the requests continue to come as quickly and as thickly it will probably take a year to finish her jaunt.

## SHE'LL SUCCEED, ANYWAY.

The bluest of the picture playrights, among them Bayard Veiller, Irvin S. Cobb, Margaret Mayo, Edgar Selwyn and Rol Cooper, are deciding what the first picture is to be for Mae Marsh. The young star, the first star of the Golden Pictures, is so versatile that it is hard to decide whether she figures best in comedy, tragedy or what not. The

## HOROSCOPE.

Saturday, January 6, 1917.

According to astrology this is an unusually lucky day, since all the planets are friendly. Jupiter and Saturn rule strongly for good. Speculation comes under a sway likely to bring large reward, especially if mines or minerals are dealt in.

Bankers and merchants have the most encouraging leading. They should push all their interests before evening.

While fortunes will be made easily in the next few weeks, warning is given of danger that will breed fear of panic losses through some unexpected event are foreseen.

Theaters have the promise of increase of public interest, and large endowments will change conditions for actors and managers, the stars predict.

New enterprises in the motion picture field are foreboded and these

will be successful, although they may cause losses to established concerns.

A death before the end of the month may cause a flurry on the stock market.

Colleges and schools have the best leading. Students should achieve brilliant things in the new year and receive many honors in the future, which are much to be desired.

The new year will bring to the United States more than one stage, who will not be recognized, it is predicted. While false prophets will receive hearings the elect will pass by unknown, except to the few.

According to an English astrologer September will find all peace talk still unproductive of results and the outlook still doubtful, but the position of Jupiter in the zodiac, which is a favorable condition for the government and parliamentary affairs.

There is still a most unfavorable rule for King George, who may have many severe experiences and anxieties. He is likely to suffer from another accident.

Persons whose birthdate it is should avoid litigation. Attention to business will assure success.

## Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time In Many Instances

## A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands of people are able to strengthen their eyes so as to be freed from the trouble and expense of ever getting glasses. Eye troubles will be successful, although they may cause losses to established concerns.

of many descriptions may be wonderfully cured by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Ron-Opto Tablets. Drop one Ron-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Dr. Lewis' prescription is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturer guarantees it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use. The above is a true statement. It is sold in El Paso by Kelly & Pollard and other druggists—Adv.
